Improve your busines**s**,
Upgrade your software.

Salvagnini guarantees the perfect integration and continuity between machine and office proprietary software. The Salvagnini software packages and their upgrades always include the most recent releases and new functions for an easier and more efficient use of the systems and a faster return of investment.
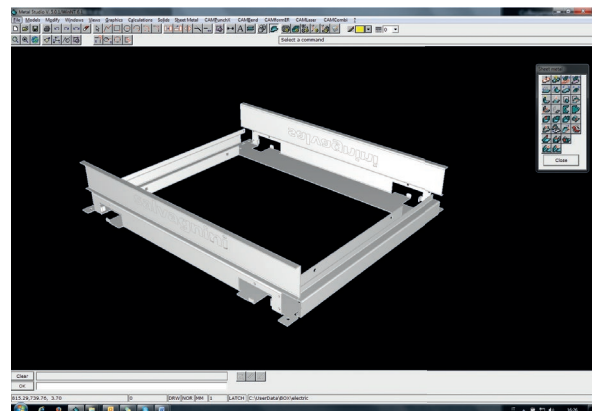

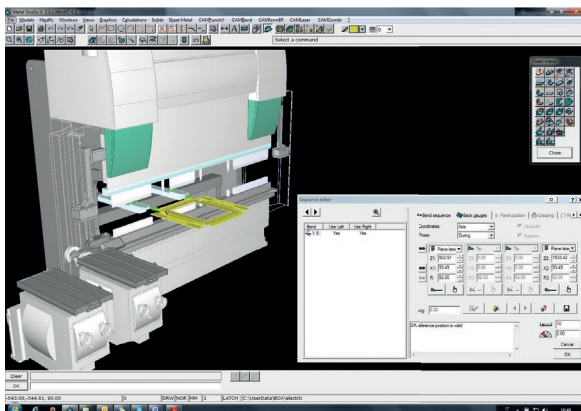

CAM.STUDIO

WHAT?

- Software for the automatic generation of programs for the Salvagnini press-brakes.

WHERE?

- On all the Salvagnini press-brake programming stations.

WHY?

- It allows 2D/3D drawings to be imported.
- It guarantees the correct bend sequence.
- It reduces collision errors.
